Normanton Junior Academy

Attendance Ladder

Normanton Junior Academy

Attendance

Our school day begins at 8:30am, with registration being taken at 8:35am prompt. Children arriving after this time must report to the School Office, giving the reason for this late arrival and this will be recorded as a late attendance.

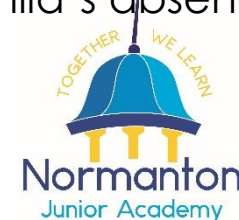

If your child is unable to attend school, you are required to report this to the school office on the first morning of the absence. You will then need to update school on each day your child is absent.

School will only accept a valid reason for absence, for example, sickness or hospital admission. Special circumstances will only be authorised with prior agreement by the Head of School. Any other absences will be marked unauthorised.

You can contact report your child's absence by telephoning school - 01924 967613 – choosing option 1 to leave a voicemail on the absence line or emailing the school office: njaabsence@watertonacademytrust.org Please inform the school office.

If school have not had communication regarding your child's absence by 9:30am, various methods of communication will be used, including telephone calls, text messages and home visits, to establish the reason for your child's absence.

Normanton Junior Academy

Attendance & Medical Appointments

We recognise that there are times when medical appointments are unavoidable during the school day. However, we will not authorise 2 full sessions (1 whole day) for a medical appointment unless there is a valid reason. Please try to make appointments such as the Dentist or Opticians out of school hour where possible.

All proof of medical appointments, for example, text messages from the Doctors or hospital letters must be shown at the School Office for recording purposes.

Please support your child by ensuring they attend school every day in order to receive their full educational entitlement.

**We'd rather you send them
in and we send them home
than them not be in school
at all!**

Y6 PARENT NEWSLETTER - AUTUMN TERM

ENGLISH

In English, we will be reading *The Boy in the Striped Pyjamas*, using the story to inspire a setting description and a letter to Bruno's grandmother, written in role as Bruno. We will also explore *After the War* as a supporting text to develop pupils' understanding of the Holocaust and its historical context.

MATHS

- Calculating using knowledge of structures
- Numbers up to 10,000,000
- Draw, compose and decompose shapes
- Multiplication and Division

SCIENCE

In Science, we will explore how to keep our bodies healthy, identifying and labelling key organs and learning about their important functions.

HISTORY

In History, we will learn about the Holocaust, exploring significant events and factors, and considering how it continues to influence the world today.

GEOGRAPHY

In Geography, we will learn about refugees, exploring different types of migration, why people are forced to leave their countries and the impact this can have on people and places.

Learning Powers this term:

- Concentration
- Resilience

MUSIC

In Music, pupils will develop their performance skills by learning and performing a piece of music in three parts.

PE

In Gymnastics, we will be creating a range of sequences that include a range of movements. In Tag Rugby we will be looking at consolidating attacking and defending whilst implementing tactics.

ART AND DESIGN

In Art, we will explore the work of Henry Moore, developing our drawing skills by using tone to create shape, form and depth.

DESIGN TECHNOLOGY

In Design and Technology, we will design and create our own night lights, developing our skills through planning, making and evaluating our finished product.

RELIGIOUS EDUCATION

In RE, we will explore Christian beliefs and teachings, considering how Jesus taught Christians to live and why Christians believe that Jesus was the Messiah.

ONE LIFE

In One Life, we will develop our understanding of self-awareness, families and friendships, healthy eating and the body's response system.
