Wakefield Council now has a facility of checking benefit entitlements with the Department of Work and Pensions, HMRC (Revenue and Customs) and the Home Office. This means that you do not need to send proof of your income at this stage. However, we may request proof of your income if we are unable to establish your entitlement to free school meals through those departments.

If your circumstances change, i.e. your benefits cease or you start receiving Working Tax Credit, you must tell us immediately. If you do not tell us and your child/ren continue/s to receive free school meals whilst not entitled, you will be asked to pay for those meals provided free.

Section 4: Declaration to be signed by the Applicant

I agree that you will use the information I have provided to process my claim for free school lunches, and will contact other sources as allowed by the law to verify my initial and ongoing entitlement.

I understand that the results of any free school meal eligibility check may also be used to assess any possible entitlement to receive free travel to school. For further details please contact the Home to School Transport Team on 01924 305675 or 305643

I declare that the evidence given on this form is true, and I will tell you if my benefits stop or if I start receiving Working Tax Credit.
