To parents/carers of pupils in Year 6,

We have been extremely proud of the mature way that our Year 6 have settled into their roles as the leaders of the school. After the disruption of the last two years, they have been working hard in lessons showing great determination and tenacity in trying to achieve their very best.

As you may be aware, Year 6 will be sitting their end of KS2 SATs the w/b **Monday the 9th May, 2022**. Nationally, Year 6 pupils will be participating in tests in Maths, Reading and Spelling, Punctuation and Grammar (SPaG). To support our pupils to achieve their absolute best and to best prepare them for the next stage in their educational journey, we have purchased a range of CGP practice workbooks for each child to be used in school. This is to ensure our pupils feel confident with what is expected and can achieve their personal best.

To further support our pupils' learning at home, we highly recommend the purchasing of the CGP KS2 SAT Buster Bundles in Maths, Reading and SPaG. Each bundle features 3 workbooks containing the areas pupils will be tested on and an answer booklet. These resources will enable the children to get further practice at home, corresponding with what is being taught in school. By purchasing these bundles, you will have the opportunity to better help and support your children with the upcoming assessments. Each bundle retails at £10, but when ordered through the school can be purchased for £5 each. If you wish to take a further look at the bundles, please click on the links below:

The SAT Buster Bundles are available on the Pupil Asset School Shop where you can order and pay for the books you would like. The deadline for ordering is 12.00pm on Friday 2nd December. After this deadline, books will be ordered with our supplier that day and handed out to children as soon as they arrive. All books must be paid for at the point of ordering. Should you have any problems with ordering via Pupil Asset, please contact the school office who will be able to guide you through the process.

If your child qualifies as Pupil Premium, the school will purchase the bundles automatically. You **do not** need to order via Pupil Asset.

We thank you for your continued support with your child's learning and are certain that they will continue to impress us as the year progresses.

Kind Regards,

Mrs Black

Assistant Headteacher
