

Bikeability Cycle Training

Dear Parent/Guardian

Each year, children in Y6 at Normanton Junior Academy take part in Bikeability Cycle Training and it's now your child's turn. This course seeks to give children the skills and confidence to cycle safely on the road. This fun course starts in the playground and will continue on quiet roads around the school.

In order for your child to take part, you will need to complete the attached paper consent form and return it to school as soon as possible. The training is free.

Children need to be able to ride a bike to take part in Bikeability Level 1 and 2. If your child cannot ride a bike, please tick the box at the end of the consent form and we may be able to arrange a slot to teach them during our time in school.

Ideally your child will use their own bike for the training, but bikes can be loaned to those without. Please tick the box at the end of the form to request a bike and/or helmet loan.

The cycling will continue whatever the weather, so please send your child with warm and waterproof clothing. Gloves are a good idea. We suggest that pupils wear trousers or tracksuit bottoms when training.

The training will take place during school time on:
6OS - Monday 31st Oct to Friday 4th November
6SM - Mon 7th to Fri 11th November
6AG - Monday 14th Friday 18th November.

This course is being run by Cycle North on behalf of Wakefield MDC and the instructors are fully qualified, checked and insured.

Your child will need to have with them, for all their course sessions:

- A bike which is roadworthy and fits properly.
A bike check will be carried out on the first day and any bike which is not roadworthy cannot be used on the course. I've attached a bike check form to help you ensure that your child's bike is in a good condition.
- A cycle helmet (which fits!)
- Warm clothing and a waterproof jacket
- Gloves if appropriate.

Your child will be continuously assessed throughout the course. The training will start with a playground session and the children must reach the required standard in cycle control, in order to proceed to the on-road Level 2 sessions that follow.

Andrew Crossley (Bikeability Training Manager)

Is the bike alright to use?

The cycle training can be done on any sort of bike, as long as it is roadworthy and has both a front and back brake. Please check your bike using the checklist below. If in doubt take it to a bike shop and ask them to check it. Our trainers are not mechanics but may be able to make minor adjustments on the day. Unfortunately, if your child arrives with a bike that we do not consider safe to use on the roads, your child will not be able to do the training unless you have booked a loan bicycle with us.

Bicycle Checklist

As a part of the training course, your child's bike will be assessed by an instructor to check if it is in a safe and roadworthy condition.

Unsafe bikes can not be used on the course.

! Only carry out adjustments or repairs if you know what to do. If you are unsure, take the bike to a local bike shop.

Chain & Gears
Check the chain is well oiled and not too tight or too loose.
Check all the gears can be changed easily.

Saddle
Adjusted to the riders height without exceeding the safety limit (look for a notch on the saddle post).
Check saddle points forward and does not wobble.

Handlebars
Check handlebars can't be twisted out of the line of the wheels and are straight.
Bar ends must not be exposed.

! Check rider can easily reach the brakes.

Cables
Check cables are not frayed, broken or loose.

Brakes
Both front and back brakes must work.
Check brake block is in correct position, not touching the tyre and not worn out.

Wheels
Check if the wheels spin freely and straight, that there is no damage to the spokes. Nuts and levers are securely tightened.

Pedals
Check pedals are securely attached to crank and spin freely.

Bike Size
Rider should be able to reach handlebars and touch the ground easily with toes of both feet

! Check rider's toes can easily reach the ground

Tyres
Check that the tyre is firmly pumped up. There should be no damage, punctures or excessive wear.

Medical Information

Please tell us of any medical condition which we should know about in the box below. For example, poor eyesight, asthma, epilepsy, impaired hearing etc. It is unlikely that a medical condition will prevent your child from receiving training.

Please read and sign the following declaration

I have read and understood the letter to parents.

I will check my child's cycle to ensure it is roadworthy and I am responsible for keeping it roadworthy throughout the course. I authorise instructors from Cycle North to carry out minor adjustments to the cycle.

My child will be trained on public roads. The training may also include some off-road cycling.

The training will start with a playground session. The children must reach the required standard in cycle control, in order to proceed to the on-road Level 2 sessions that follow.

I accept that Cycle North can refuse to teach my child if their behaviour is deemed to be unsuitable.

I understand that Cycle North will not be liable for any loss or damage to trainees' cycles and other belongings.

Trainees should not be considered safe to ride in all traffic conditions at the end of the course, but please encourage them to practise and supervise them if possible and their confidence will improve further.

Please tick the box if you wish your child to have loan of a bike helmet

Please tick the box if you wish your child to have loan of a bike

Please tick the box if your child can not ride a bike
