

Dear Parents/ carers,

We're pleased to let you know that your child's class is now using Mirodo!

A little bit about us

Mirodo is an award-winning, all-in-one learning tool specifically designed for Years 3- 6. We're working with your child's school in developing & enhancing key skills in English, Maths and Science.

We personalise topics for your child, helping to boost their confidence and accelerate progress. Mirodo can be used independently at home and at school for homework. The key is short and regular practice on Mirodo, to build your child's understanding across all topics, helping them to succeed.

How to get started?
