Thursday 9th March

The MET have issued an amber weather warning with heavy snow forecast over the coming days. If current weather forecasts are accurate, it is highly likely that school will be closed tomorrow. We hope that by contacting you now, you will have time to prepare and plan should this be required. We thank you in advance of your understanding that the health, safety and wellbeing of our school family is our number one priority.

Online learning during Snow Closure 10/03/23

Your child's class teachers will be live on Microsoft Teams during the morning to demonstrate the online learning set through Mirodo. Details on how to access Microsoft Teams is attached to this letter, and your child has their login details within their home/school learning diaries for both Teams and Mirodo. Children have been shown how to log on to the apps today in school. Follow the link to Microsoft Teams on the school website (<https://normantonjunioracademy.org/curriculum/home-learning-platforms/>) and follow the instructions sent with this letter.

Waterton Academy Trust Snow Sculpture Competition

We understand that the children will be wanting to enjoy the learning opportunities that snow provide. They have certainly been very excited about the impending snow this week!

The children and staff of Waterton Academy Trust are encouraged to enter a snow sculpture competition in the afternoon, sending their creations to admin@watertonacademytrust.org

In the event that school does close, we hope that you have fun and stay safe over the next few days.

School can be contacted throughout Friday 10th March via normantonjunioroffice@watertonacademytrust.org

We look forward to seeing you all on Monday 13th March, once the inclement weather has subsided!

Kind Regards,

The Normanton Junior Academy Staff Team
